

6 HELPFUL SENTIMENTS FOR A GRIEVING PET PARENT

I know how much he meant to you.
How lucky you were to have each other.

I'm sorry. (Seriously, say that with emotion,
and mean it. It can be that simple.)

I'd love to hear how she came to live at
your house. Share that with me.

Can I take you for a cup of
coffee, and I want to hear
everything about your precious
bunny.

How did he get his name?

Why did you pick him out
of the whole shelter?
I want to hear his story.
